Our God is faithful! He protects!

Dear friends & family:

Praise God! We are happy & healthy. The ministries are going well. God is faithful. Several people continue to put their faith in Jesus each month, as we do our medical clinics, pray with patients, & share about Jesus with them in our clinic or in their remote villages. We have a new nurse, Sarah, who has a very caring, evangelistic heart. She can often be seen talking & praying with our patients.

We all had a bout with the flu & Deborah & Scott just took a cure for malaria, but we're all pretty healthy now. The twins are growing. They will be 4 yrs old in April! They enjoy their pre-school & playing with their "cars & trucks". God continues to protect us – I killed two more snakes INSIDE our home in February. I was driving our car (Suzuki Escudo) to do a medical clinic at Nyamisati village last week, when the left rear tire came off & went rolling past us. We are SO thankful that God protected us! None of us were hurt at all, despite \$350 worth of damage to the car.

We are looking forward to have Dr. Brook Redd, a U.S. surgeon, come & help us for a week in March. I'm sure he will be a huge blessing to our patients with hernias, etc.

We are excited to be coming home to the USA in July. I am working on our itinerary for our time there. We are looking forward to seeing everyone again!

Thanks again for all that you do for us! Please keep us in your prayers! Thanks!!!

Love ya,

Drs. Joel & Deborah Carpenter

Notice what our wall-banner says! ---->

The front entrance to our mission clinic

What's God been teaching me lately?

I am reading through the Bible again this year. Lord, make me a man of faith, like Abraham. A man of high integrity, like Joseph. A man of humility, & also a man who walks & talks with God – like Moses. A man who follows God wholeheartedly & courageously, like Caleb & Joshua. Help me not to worry about "the giants in the land", but rather, remain focused in on how faithful & great & mighty my God truly is!

Our mission-clinic "delivery-room" – where many babies come into the world!
